

## ANNEX 3: REQUIREMENTS

### 1. Functional Requirements

FUNCTIONAL REQUIREMENT ID	FUNCTIONAL REQUIREMENT NAME	FUNCTIONAL REQUIREMENT DESCRIPTION	FUNCTIONAL REQUIREMENT RELATED TEST	RELATED BUSINESS REQUIREMENT ID	RELATED BUSINESS REQUIREMENT NAME	RELATED BUSINESS REQUIREMENT DESCRIPTION
ACO_FUR_0001	Register Manual Status Request/Response or Manual Status Synchronization Request	The Requesting MSA must register the Manual Status Request/Response.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0002	Register Query for an e-AD/e-SAD	The National (Requestor) MSA must register the query for an e-AD/e-SAD.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0003	Record Manual Status Request/Response or Manual Status Synchronization Request	Manual Status Request/Response or Manual Status Synchronization Request must be stored by the EMCS of the Requesting MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0004	Record Query for an e-AD/e-SAD	The Query for an e-AD/e-SAD must be stored by the EMCS of the National (Requestor) MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0005	Movement Download Request shall be built	The Requesting MSA must build a Movement Download Request (IE784).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0006	Movement Download Request shall be recorded	The Movement Download Request (IE784) must be recorded.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0007	The Requested MSA shall be notified of Movement Download Request	The requesting MSA must notify the Requested MSA of Movement Download Request (IE784).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0008	The Movement Download Request is	The Requested MSA must examine the		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested	Requested Authority must inform the Requesting Authority the reasons for refusing

ANNEX 3: REQUIREMENTS

	examined	Movement Download Request (IE784).			information	to provide requested information.
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0009	Movement Download Answer shall be built	The Requested MSA must build a Movement Download Answer (IE785).		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0010	Movement Download Answer shall be recorded	The Movement Download Answer (IE785) shall be stored by the MSA.		ACO_BUS_0009	Record for refusal reasons shall be kept	The record of the refusal reasons for not providing feedback must be kept.
ACO_FUR_0011	The Requesting MSA shall be notified of Movement Download Answer	The Requested MSA must notify the Requesting MSA of the Movement Download Answer (IE785).		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0012	It shall be identified whether the National (Requestor) MSA is the Initiator MSA	The National (Requestor) MSA must identify whether it is the Initiator MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0013	It shall be identified whether it is a status synchronisation request	The requested MSA must identify whether it is a status synchronisation request. (Whether the "Status Request Message Type" field exists in the Movement Download Request (IE784)).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0014	It shall be identified whether the Requested MSA is desynchronised with Requesting MSA	The requested MSA must identify whether the Requested MSA is desynchronised with Requesting MSA		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0015	The missing message	The requested MSA		ACO_BUS_0013	Necessary information shall be communicated	Requested Authority must communicate to

ANNEX 3: REQUIREMENTS

	shall be regenerated	must regenerate the missing message.			to the Requesting Authority	Requesting Authority the necessary information.
ACO_FUR_0016	Requesting MSA shall be notified of missing message	The requested MSA must notify the Requesting MSA of the missing message.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0017	Present Data	The EMCS must present data to the user. This is a read only activity.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
				ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
				ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0018	Common Request shall be built	The National (Requestor) MSA must build a Common Request (IE701).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0019	Common Request shall be recorded	Common Request (IE701) must be stored by the National (Requestor) MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0020	The initiator MSA shall be notified about Common Request	The National (Requestor) MSA must notify the initiator MSA about Common Request (IE701).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0021	It shall be identified if the message is found valid	The EMCS of the MSA must identify if the received message is found valid.		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0022	It shall be identified if the Query returns results	The initiator MSA must identify if the Query returns results.		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

ACO_FUR_0023	Register draft Movement Download Request	The Requesting MSA must register the Movement Download Request.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0024	Record draft Movement Download Request	Draft Movement Download Request must be stored by the EMCS of the Requesting MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0025	It shall be identified if the Requesting MSA is the Initiator MSA	The Requesting MSA must identify if it is the Initiator MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0026	The Initiator MSA shall be notified about Movement Download Request	The Requesting MSA must notify the Initiator MSA about Movement Download Request (IE784).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0027	It shall be identified if e-AD/e-SAD is available (online)	The Initiator MSA must identify if e-AD/e-SAD is available (online).		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0028	Build Movement Download Answer indicating e-AD/e-SAD was found	The Initiator MSA must build a Movement Download Answer (IE785) indicating e-AD/e-SAD was found.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0029	Build Movement Download Answer indicating e-AD/e-SAD was not found	The Initiator MSA must build a Movement Download Answer (IE785) indicating e-AD/e-SAD was not found.		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
ACO_FUR_0030	History of a Movement shall be built	The Initiator MSA must build a History of a Movement (IE838).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0031	History of a Movement shall be recorded	History of a Movement (IE838) must be stored by the MSA.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0032	The Requesting MSA shall be notified	The Initiator MSA must notify the		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary

ANNEX 3: REQUIREMENTS

	about History of a Movement	Requesting MSA about History of a Movement (IE838).				information.
ACO_FUR_0033	Refusal of Common Request shall be built	The initiator MSA must build a Refusal of Common Request (IE702)		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
ACO_FUR_0034	Refusal of Common Request shall be recorded	Refusal of Common Request (IE702) must be stored by the initiator MSA.		ACO_BUS_0009	Record for refusal reasons shall be kept	The record of the refusal reasons for not providing feedback must be kept.
ACO_FUR_0035	National (Requestor) MSA shall be notified about Refusal of Common Request	The initiator MSA must notify National (Requestor) MSA about Refusal of Common Request (IE702).		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
ACO_FUR_0036	List of e-AD/e-SAD shall be built	The initiator MSA must build a List of e-AD/e-SAD as result of a general query (IE821).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0037	List of e-AD/e-SAD shall be recorded	List of e-AD/e-SAD as result of a general query (IE821) must be stored by the initiator MSA.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0038	National (Requestor) MSA shall be notified about List of e-AD/e-SAD	The initiator MSA must notify the National (Requestor) MSA about List of e-AD/e-SAD as result of a general query (IE821).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0039	Retrieve locally available list of e-ADs/e-SADs	The National (Requestor) MSA must retrieve locally the available list of e-ADs/e-SADs.				
ACO_FUR_0040	It shall be identified if the e-AD/e-SAD was found	The Requesting MSA must identify if the e-AD/e-SAD was found.				
ACO_FUR_0041	Retrieve locally available History of the Movement	The Requesting MSA must retrieve locally the available History of the Movement (IE838).				

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

ACO_FUR_0042	Register Interruption	The MSA of Interruption must register the Interruption.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0043	Record Interruption	Interruption must be stored by the EMCS of the MSA of Interruption.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0044	Identify if MSA of Interruption is involved in the movement (as MSA of Dispatch or MSA of Destination/ MSA of Export)	The MSA of Interruption must identify if it is involved in the movement (as MSA of Dispatch or MSA of Destination/ MSA of Export).		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0045	Build Interruption of Movement			ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0046	Stop Timer TIM_ACO	The requesting MSA must stop the running timer (TIM_ACO).		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0047	Record Interruption of Movement	The Interruption of Movement (IE807) must be stored by the MSA of Interruption.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0048	Perform change of e-AD state to Stopped	The MSA must change the state of the e-AD to Stopped.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0049	Identify if MSA of Interruption is MSA of Dispatch,MSA of Destination/ MSA of Export or third MSA	The MSA of Interruption must identify if it is MSA of Dispatch,MSA of Destination/ MSA of Export or third MSA.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0050	Identify if the destination of the movement is known			ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0051	Notify Consignor of Interruption of Movement	The MSA must notify the Consignor of the Interruption of Movement (IE807).		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0052	Notify Consignee of Interruption of Movement	The MSA must notify the Consignee of the Interruption of Movement (IE807).		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

ACO_FUR_0053	Notify MSA of Dispatch of Interruption of Movement	The MSA must notify the MSA of Dispatch of the Interruption of Movement (IE807).		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0054	Notify MSA of Destination/ MSA of Export of Interruption of Movement	The MSA must notify the MSA of Destination/ MSA of Export of the Interruption of Movement (IE807).		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0055	Identify if any timers associated with the interrupted movement are still running or have already expired	The MSA of Interruption must identify if any timers associated with the interrupted movement are still running or have already expired.				
ACO_FUR_0056	Reset the flag of the timer	If any timers associated with the interrupted movement have already expired, the MSA of Interruption must reset the flag of each timer that has been raised locally (at expiration date).				
ACO_FUR_0057	Stop the timer	If any timers associated with the interrupted movement are still running, the MSA of Dispatch must stop these timers.				
ACO_FUR_0058	Register Request for Information, Controls or Actions	The ELO must register the Request for Information, Controls or Actions.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0059	Record Request for Information, Controls or Actions	Request for Information, Controls or Actions must be stored by the EMCS of the Requesting MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0060	Build Movement Verification Request	The Requesting MSA must build a Movement Verification Request		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

		(IE722).				
ACO_FUR_0061	Set State of the Request to "Open"	The MSA must set the state of the Request to Open.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0062	Notify Requested MSA about Movement Verification Request	The requesting MSA must notify the Requested MSA of Movement Verification Request (IE722).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0063	Initiate Timer TIM_MVS	The Requesting MSA must initiate the timer TIM_MVS to expire at the expected deadline for receiving the Movement Verification Results (IE725), as specified in the Movement Verification Request (IE722).		ACO_BUS_0002	Time Limit shall be set (i.e. 3 months or other agreed Time Limit) within which the Requested Authority should provide the requested information	The Requesting Authority must set the Time Limit (i.e. 3 months or other agreed Time Limit) within which the Requested Authority should provide the requested information.
ACO_FUR_0064	Identify if ELO agrees with the contents of the Request	The ELO of the requested MSA must identify if he is in a position for carrying out the requested controls or actions and/or giving the requested information.		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0065	Identify if it is possible to reply to the request	The ELO of the Requested MSA analyses must identify whether it is possible or not to give the requested information in the time limit indicated in the request message (IE722).		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0066	Notify Requesting MSA about Movement Verification Answer	The Requested MSA must notify the Requesting MSA of Movement Verification Answer		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

		(IE723).				
				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0068	Perform Change of the Request State to "Extended"	The MSA must change the state of the Request to Extended.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0069	Identify if Timer TIM_MVS has expired	The Requesting MSA must identify whether the timer TIM_MVS has expired.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0070	Reset Flag	If the timer TIM_MVS has already expired (a Reminder Message for Movement Verification Request IE724 has been sent to the Requested MSA), the Requesting MSA must reset the flag that has been raised locally at expiration time.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0071	Stop Timer TIM_MVS	The requesting MSA must stop the running timer (TIM_MVS).		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0072	Update Timer TIM_MVS	The Requesting MSA, must update the Timer TIM_MVS.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
ACO_FUR_0073	Build Reminder Message for Movement Verification Request	The Requesting MSA must build a Reminder Message for Movement Verification Request (IE724).				
ACO_FUR_0074	Record Reminder	Thr Reminder				

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

	Message for Movement Verification Request	Message for Movement Verification Request (IE724) must be stored by the Requesting MSA.				
ACO_FUR_0075	Perform Change of the Request State to "Late"	The MSA must change the state of the Request to Late.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0076	Notify Requested MSA about Reminder Message for Movement Verification Request	The Requesting MSA must notify the Requested MSA about Reminder Message for Movement Verification Request (IE724).				
ACO_FUR_0077	Register Results for Request for Information, Controls or Actions	The ELO must register the Results for Request for Information, Controls or Actions.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0078	Record Results for Request for Information, Controls or Actions	Results for Request for Information, Controls or Actions must be stored by the EMCS of the Requested MSA.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0079	Build Movement Verification Results	The MSA must build a Movement Verification Results (IE725).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
				ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA
ACO_FUR_0080	Record Movement Verification Results	The Movement Verification Results (IE725) must be stored by the Requested MSA.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
				ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA
ACO_FUR_0081	Identify if feedback is requested	The MSA must identify if feedback is requested.		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
				ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

				ACO_BUS_0015	Feedback shall be requested from Requesting Authority on the follow-up action taken	Requested Authority must request from Requesting Authority feedback on the follow-up action taken
ACO_FUR_0082	Perform Change of the Request State to "Answered and feedback expected"	The MSA must change the state of the Request to Answered and feedback expected.		ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
				ACO_BUS_0015	Feedback shall be requested from Requesting Authority on the follow-up action taken	Requested Authority must request from Requesting Authority feedback on the follow-up action taken
ACO_FUR_0083	Notify Requesting MSA about Movement Verification Results	The Requested MSA must notify the Requesting MSA about Movement Verification Results (IE725).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0084	Register Request for Deadline Extension	The ELO must register the Request for Deadline Extension.		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0085	Record Request for Deadline Extension	Request for Deadline Extension must be stored by the EMCS of the Requested MSA.		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0086	Build Movement Verification Answer indicating Request for Deadline Extension	The Requested MSA must build a Movement Verification Answer indicating Request for Deadline Extension (IE723).		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0087	Record Movement Verification Answer indicating Request for Deadline Extension	The Movement Verification Answer (IE723) indicating Request for Deadline Extension must be stored by the Requested MSA.		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0088	Register draft Event Report	The Excise Officer must register the draft Event Report.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0089	Record draft Event Report	Draft Event Report must be stored by the EMCS of the MSA of Submission.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

ACO_FUR_0090	Build Administrative Cooperation Common Request	The Requesting MSA must build an Administrative Cooperation Common Request		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
				ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA
ACO_FUR_0091	Record Administrative Cooperation Common Request	Requesting MSA must record an Administrative Cooperation Common Request (IE721)		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0092	Notify Requested MSA about Administrative Cooperation Common Request	The requesting MSA must notify the Requested MSA of Administrative Cooperation Common Request (IE721).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0093	Initiate Timer TIM_ACO	The Requesting MSA must initiate the timer TIM_ACO to expire at the expected deadline for receiving the ACO Results (IE867), as specified in the ACO Request (IE721).		ACO_BUS_0002	Time Limit shall be set (i.e. 3 months or other agreed Time Limit) within which the Requested Authority should provide the requested information	The Requesting Authority must set the Time Limit (i.e. 3 months or other agreed Time Limit) within which the Requested Authority should provide the requested information.
ACO_FUR_0094	Identify if Timer TIM_ACO has expired	The Requesting MSA must identify whether the timer TIM_ACO has expired.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0095	Reset Flag	If the timer TIM_ACO has already expired (a Reminder Message for Movement Verification Request IE869 has been sent to the Requested MSA), the Requesting MSA must reset the flag that has been raised locally at expiration time.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority

Excise Functional Requirements BPM Report for Administrative Cooperation
ANNEX 3: REQUIREMENTS

				ACO_BUS_0007	Follow-up action shall be taken	Follow-up action must be taken
ACO_FUR_0096	Update Timer TIM_ACO	The Requesting MSA, must update the Timer TIM_ACO.		ACO_BUS_0006	Time Limit shall be updated as indicated by the Requested Authority	Requesting Authority must update the Time Limit as indicated by the Requested Authority
ACO_FUR_0097	Identify if it is possible to reply to the request	The ELO of the Requested MSA analyses must identify whether it is possible or not to give the requested information in the time limit indicated in the request message (IE721).		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0098	Build Reminder Message for Administrative Cooperation Common Request	The Requesting MSA must build a Reminder Message for Administrative Cooperation Common Request (IE869).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0099	Record Reminder Message for Administrative Cooperation Common Request	Thr Reminder Message for Administrative Cooperation Common Request (IE869) must be stored by the Requesting MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0100	Notify Addressed MSA about Movement verification Results	The Issuing MSA must notify the Addressed MSA about Movement Verification Results (IE725).		ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA
ACO_FUR_0101	Build Event Report	The MSA of Submission must build an Event Report (IE840).		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0102	Record Event Report	The Event Report (IE840) must be stored by the MSA of Submission.		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0103	Identify if MSA of Submission is the MSA of Event	The EMCS of the MSA of Submission must identify if MSA of Submission is the		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA

		results received.				up action taken
ACO_FUR_0138	Record feedback information for results received	Feedback information for results received must be stored by the EMCS of the Requesting MSA.		ACO_BUS_0015	Feedback shall be requested from Requesting Authority on the follow-up action taken	Requested Authority must request from Requesting Authority feedback on the follow-up action taken
ACO_FUR_0139	Build feedback information	The MSA must build an Administrative Cooperation Results (IE867).		ACO_BUS_0015	Feedback shall be requested from Requesting Authority on the follow-up action taken	Requested Authority must request from Requesting Authority feedback on the follow-up action taken
ACO_FUR_0140	Build Answer Message indicating Request for Deadline Extension	The Requested MSA must build a Answer Message indicating Request for Deadline Extension (IE868).		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0141	Record Answer Message indicating Request for Deadline Extension	The Answer Message indicating Request for Deadline Extension must be stored by the Requested MSA.		ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0150	Notify Requested MSA about Reminder Message for Administrative Cooperation Common Request	The Requesting MSA must notify the Requested MSA about Reminder Message for Administrative Cooperation Common Request (IE869).		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0151	Record Administrative Cooperation Results	The Administrative Cooperation Results (IE867) must be stored by the Requested MSA.		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
				ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA
ACO_FUR_0152	Notify Requesting MSA about Administrative Cooperation Results	The Requested MSA must notify the Requesting MSA about Administrative Cooperation Results (IE867).		ACO_BUS_0013	Necessary information shall be communicated to the Requesting Authority	Requested Authority must communicate to Requesting Authority the necessary information.
ACO_FUR_0153	Register Information found and/or Results of the Controls performed	The ELO must register Information found and/or Results of the Controls performed		ACO_BUS_0018	Necessary information shall be forwarded to Addressed MSA	Issuing MSA must forward necessary information to Addressed MSA

ANNEX 3: REQUIREMENTS

				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0177	Assign a unique reference to Control Report	The MSA of Control must assign a unique reference to Control Report (IE717).		ACO_BUS_0004	Necessary information shall be forwarded to concerned MSA	Issuing MSA must forward necessary information to concerned MSA
ACO_FUR_0178	Record Movement Verification Request	The Movement Verification Request (IE722) must be stored by the Requesting MSA.		ACO_BUS_0001	Request for information and/or administrative enquiry shall be submitted to Requested Authority	The Requesting Authority must submit a request for information and/or administrative enquiry to Requested Authority
ACO_FUR_0181	Notify Requested MSA about Administrative Cooperation Answer Message	The requesting MSA must notify the Requested MSA of Administrative Cooperation Answer Message (IE868).		ACO_BUS_0010	Requesting Authority shall be informed of the reasons for refusing to provide requested information	Requested Authority must inform the Requesting Authority the reasons for refusing to provide requested information.
				ACO_BUS_0014	Requesting Authority shall be informed of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond	Requested Authority must inform Requesting Authority of the reasons for failing to respond within the Time Limit and indicate when it expects to be able to respond
ACO_FUR_0182	Register draft Manual Closure Request	The Excise Officer at the MSA of Destination/Export must register the draft Manual Closure Request.				
ACO_FUR_0183	Record draft Manual Closure Request	Draft Manual Closure Request must be stored by the EMCS of the MSA of Destination/Export				
ACO_FUR_0184	Build Manual Closure Request	The MSA of Destination/Export must build a Manual Closure Request message (IE880).				
ACO_FUR_0185	Record Manual Closure Request	The Manual Closure Request must be stored by the MSA of Destination/Export.				
ACO_FUR_0186	Notify MSA of Dispatch about Manual Closure Request	The MSA of Destination/Export must notify the MSA of Dispatch of the Manual Closure				

		Request (IE880).	
ACO_FUR_0187	Build Manual Closure Acceptance	The MSA of Dispatch must build a Manual Closure Response message (IE881) indicating an accepted manual closure.	
ACO_FUR_0188	Record Manual Closure Acceptance	The Manual Closure Response indicating an accepted manual closure must be stored by the MSA of Dispatch.	
ACO_FUR_0189	Build Manual Closure Rejection	The MSA of Dispatch must build a Manual Closure Response message (IE881) indicating a rejected manual closure request.	
ACO_FUR_0190	Record Manual Closure Rejection	The Manual Closure Response indicating a rejected manual closure request must be stored by the MSA of Dispatch.	
ACO_FUR_0191	Notify MSA of Destination/Export of the rejection of the Manual Closure request	The MSA of Dispatch must notify the MSA of Destination/Export of the Manual Closure Response (IE880) indicating a rejected manual closure request.	
ACO_FUR_0192	Notify MSA of Destination/Export of Manual Closure of movement	The MSA of Dispatch must notify the MSA of Destination/Export of the Manual Closure Response (IE881) indicating an accepted manual closure.	
ACO_FUR_0193	Notify Consignor of Manual Closure of movement	The MSA of Dispatch must notify the Consignor of the Manual Closure	

		Response (IE881) indicating an accepted manual closure.	
ACO_FUR_0194	Notify Consignee of Manual Closure of movement	EMCS sends the Manual Closure Response message (IE881:C_MNC_RE S) to the respective Consignee.	
ACO_FUR_0195	Register Manual Closure	The Excise Officer at the MSA of Dispatch must register the Manual Closure.	
ACO_FUR_0196	The e-AD state shall be changed to e-AD Manually Closed	If the Manual Closure has been accepted, the state of the e-AD must change to e-AD Manually Closed.	
ACO_FUR_0197	Assess Manual Closure Request	The MSA of Dispatch assesses a received Manual Closure Request message (IE880).	
AC_FUR_0198	Review Manual Closure Request	An Excise Officer at the MSA of Dispatch reviews a received Manual Closure Request message (IE880).
